

## Our Instructors:

Our staff of instructors are fully certified by the NRA and other training organizations, and all of our instructors hold certifications in multiple disciplines.

## What our Students have to say :

*"These guys ROCK! The best training ever! "*

*"Thanks again for a great program. You both did an outstanding job!"*

*"I had a GREAT time!"*

*"Much appreciated that the instructors were very patient with beginners."*

*"The humor and attitude of the instructors was fabulous."*

*"The real life experiences were most beneficial."*

*"It was time well spent!"*

**OF NORTHWEST OHIO**

**FREEDOM FIREARMS TRAINING**

***Personal Firearms Training  
for you and your family***

***FreedomFirearmsTrainingOhio.com***

***Freedom Firearms Training of Northwest Ohio offers training for both long gun and handguns, and tailors that training for students of all ages and abilities.***

***Our trainings range from the NRA "First Steps" in Pistol and Shotgun to advanced Concealed Carry and Personal Protection Training with continued regular range time.***

***All experience levels are welcome, but no experience is required to attend many of our trainings. We take special care with "first timers" who are just becoming firearms friendly, and we can assist you in choosing your first firearm.***

# Ohio Concealed Carry

## ***ADVANCED TACTICS***

This is a **Level II class** designed for those students who already possess a basic understanding of firearms, and who have successfully completed a Level I course of NRA Basic Pistol, or who possess a valid Ohio Concealed Carry License.

### In this class you will:

#### **TRAIN IN LOW LIGHT CONDITIONS**

*\*\*most concealed carry incidents occur in low light, yet few training courses afford students the opportunity to "get a feel" for those conditions. In this class you will.*

### ***Face several situations for Concealed Carry:***

- Attacker Identification
- Single attacker
- Multiple attackers
- Vehicle entry/egress
- Use of Cover
- Protection of others
- Post incident procedures

### In this course you will need:

- Concealed Carry Handgun and Holster
- Conceal Garment
- Approval of Instructor Staff
- NRA BPI Certification or Ohio CCL
